**Dr. Tammy L. White graduated from Washington State University College of Veterinary Medicine in 1996. She became a Diplomate of the American Veterinary Dental College in 2009 under the mentorship of Dr. Pat Frost-Fitch. In December 2009 she started Pacific Northwest Veterinary Dentistry and Oral Surgery, a practice focused on advanced veterinary dentistry, teaching and consulting services. Dr. White is part of the adjunct faculty at WSU VTH and is offering advanced veterinary dental services at the Washington State University Spokane Veterinary Specialty Teaching Clinic, a satellite facility of the Washington State University Teaching Hospital. Senior veterinary students are rotating through her practice enabling them to learn more about veterinary dentistry. Dr. White also owns Lower Columbia Veterinary Clinic, a general small animal practice in Longview, WA where she practices advanced veterinary dentistry.**
